Dear Ms. Carter:

I am pleased to provide a letter of recommendation for Diversity Construction Group, based on your recent renovation of our Elmwood Community Center.

The Town feels that James Keane provided solid project management, and that Mike Daigle was diligent in his on-site supervision of the project.

Your team skillfully managed long lead-time items and was therefore able to minimize the project's duration. The DCG team was responsive to changes in project scope due to latent conditions, and due also to Owner-requested changes.

I am impressed with the level of professionalism and workmanship that your team brought to our project and recommend DCG to municipal, institutional and corporate clients seeking a general contractor.

Very truly yours,
