### **Project at a Glance**

CREC Office Fitout  
Hartford, CT

**Client:** John Mena

**Architect/Engineer:**

**Project Delivery:** General Contractor

Diversity Construction Group was chosen as the General Contractor to renovate the basement of the Construction Division Building. Diversity Construction performed electrical and HVAC upgrades, converted unused area into office space and constructed 2 conference rooms, one serving as multi-media for training and presentations.. Construction began in July 2012 and was completed in September 2012.
