Hinsdale Elementary School

Project at a Glance

Hinsdale Elementary School
Winsted, CT

Client: Tom Denehey, Superintendent of Schools, Winsted Public School

Architect/Engineer: BL Companies

Project Delivery: General Contractor

As part of the 2011 to 2013 School Improvement Plan, Hinsdale Elementary School performed code renovation updates for over a 10,000 square foot area of its facility. As part of this project, Diversity Construction replaced fire doors and hardware within the corridors of the school. Construction began in February 2013 and was completed in October 2013.
