West Hartford Town Hall Service Area

Project at a Glance

West Hartford Service Area
West Hartford, CT

Client: Town of West Hartford, CT

Architect/Engineer: CR3, LLC

Project Delivery: General Contractor

Diversity Construction Group was contracted to perform service area modification for the Town of West Hartford. The loading dock area was completely reconfigured to accommodate the use of trash compactors in lieu of open dumpsters.

Work began in May 2014 and was completed in October 2014.
